

# SUPPORT RAISING IDEAS

**PRAY first!**

**Create a list of all potential supporters: family, friends, church, employees, extra-curricular activities, people from the gym, etc**

**Send letters to potential supporters; include your what and why (what you will be doing and why you feel led to go)**

**Prayer cards - we can help, just reach out!**

**Informational booklet - holds your story, facts about the country, etc (similar to a presentation, just in print form).**

**Meet with your list of potential supporters**

**Create a presentation to present your story and facts on where you will be**

**Do a presentation at your church**

**Utilize social media - we can help, just reach out!**

**Raise more than you need**

**Seek veteran missionaries for ideas and support**
